The best way to

PROCEED

Business Law

Operating and running a successful business can be rewarding and fulfilling; but often stressful and confusing. The Business Law team at Southern Waters Legal understand commercial, business and corporate transactions. We can assist your business to flourish with the legal framework.

Business Law

Southern Waters Legal can assist you with a diverse range of Business Law issues including the following:

Business Structuring Advice

Company, Trust, Partnership, whether you are starting or acquiring a new business we can provide you with advice on the most appropriate structure for your circumstances.

Business Succession Planning

We can help you create a financial, management and tax plan that covers a planned or unplanned exit. A successful Succession Plan will allow for an orderly transition of ownership, whilst retaining the value of the business.

Partnership & Shareholder Agreements

Make sure you and your business partners avoid future uncertainties with a properly drafted Partnership or Shareholders Agreement.

Commercial Contracts

We can assist you draft, review or negotiate a wide range of commercial contracts.

Buying & Selling Businesses & Franchises

We help clients buy and sell businesses and franchises of all sizes and nature.

How we look after Business Law
