

How Your Legal Fees Are Charged

How We Charge

We aim to be transparent and fair in the way we bill.

Hourly Rates

Most of our work is charged based on time spent. You will be proportionately charged for work involving shorter periods of less than one hour.

We charge in **6-minute units**. For example:

- An attendance of up to 6 minutes = **1 unit**
- An attendance of between 6–12 minutes = **2 units**, and so on.

Different team members may have different hourly rates depending on their role and experience.

Example:

Solicitor's hourly rate: \$600 + GST

1 hour = 10 units

1 unit (6 minutes) = \$60 + GST

If your solicitor works for 3 units (12–18 minutes):

$3 \times \$60 = \$180 + \text{GST}$

Total (including GST): \$198

Fixed Fees (When Available)

For some tasks (such as initial consultations or certain documents), we may offer a fixed fee. We'll let you know when this applies.

Disbursements

These are external costs paid on your behalf (e.g., court fees, process servers, expert reports). We will notify you before incurring any significant disbursement.

Fee Reviews

Our rates are reviewed regularly and may change during the course of your matter. If your case is ongoing, updated rates may affect previous estimates.
